Dear Steve and work staff,

On behalf of Chaminade-Julienne Catholic High School and the community of Dayton, I would like to express our sincere appreciation and thanks for all you have done this past week.

I have had the opportunity to meet with you and your staff, talk with the parents and even get a couple of hugs from the students. I am very impressed with the organization from A to Z. As Principal of C-J, I have become energized by the excitement you and your program create in the areas of ministry, service and worship.

God Bless,
