To Whom It May Concern:

Steve and Lisa Walker worked in Youth Ministries at St. Margaret Mary Church from 1986 to June 1997. When they retired from their positions, they did so in the good graces of the parish. Steve and Lisa work well together as a couple. They are dedicated to the Church and to living the Christian life. They carry into their ministry a spirit of enthusiasm and a desire to share their faith with the young people entrusted to their care.

Here at St. Margaret Mary, Steve and Lisa were responsible for the total Youth Ministry in grades 7 through 12. At all levels they attempted an integrated approach--doctrine, community, service. They were always available to deal with the young people in a one-to-one situation. They recruited and trained a group of young adults to assist them with their ministry. They worked well with the other staff members on larger parish projects.

Over the years, Steve and Lisa have been very generous in making their home an extension of their ministry. The young people were invited to go there on a weekly basis for Scripture study and prayer. In conjunction with what I have already stated, their willingness to make their home available to young people is a good example of their overall generosity, their love and their desire to make a difference in the lives of members of the next generation.

Cordially,

Richard Walsh
